The Knox Trail Council is seeking enthusiastic camp counselors to serve as handicraft instructors, sports instructors, shooting sports instructors (archery, .22 caliber rifle, BB gun), trading post clerks, maintenance and food service assistants, nature instructors, Scout skills instructors, lifeguards, COPE staff and various other positions.

Summer camp is a unique leadership development opportunity for campers and for staff members. Camp staff works with Scouts and adult leaders in a variety of roles that will challenge test and develop their self confidence, leadership skills and self esteem. Summer camp staff jobs are excellent resume-builders. Camp is a safe, friendly and healthy environment.

The Knox Trail Council will hire over 75 camp staff members (age 16 - 21+) to work with Scouts this summer! Successful applicants will enjoy a weekly salary, training, room and board and free transportation where applicable, as well as a great outdoor experience that will impact the lives of the youth we serve.
