

Required BSA Online Training to be Completed Prior to Camp

Camp Resolute staff members are required to complete Hazardous Weather and Youth Protection Training prior to arriving at camp. Staff members must complete these trainings every year, even though the training is valid for multiple years.

Steps to follow:

1. Go to www.my.scouting.org and create a user account if you do not already have one.
2. Once logged in, training courses can be found by selecting the Home button in the upper left corner, then My Dashboard in the menu list.
3. The Youth Protection Training course will be on that page. Staff must complete the training every year.
4. To access the Weather Hazards training course click on Training Center at the top of the screen, then select other. On the page that opens the Weather Hazards will be under the Supplemental Training section.
5. Each will take approximately 40 minutes.
6. Print the course completion certificate after taking the course and return to the reservation director with the rest of your employment paperwork.

Weather Hazards

Hazardous Weather training must be completed prior to working at summer camp. The module presents safety precautions for eight different types of weather, as well as planning, preparation, and traditional weather signs. You will answer questions about the topics after each section. *Estimated time to complete: 40 minutes.*

Youth Protection Training

Youth Protection training is designed to help you keep our youth safe from abuse. You will learn the Boy Scouts of America's Youth Protection Guidelines, signs of abuse, and how to report suspected abuse. After each section of material, you will answer questions about that section's topic. *Estimated time to complete: 40 minutes.*
